Mr. Rosasco:

The U.S. Environmental Protection Agency has reviewed the December 2015 submittal titled "Draft Comprehensive Phase 1 Report for the West Lake City Landfill Superfund Site" prepared by Engineering Management Support, Inc. on behalf of Cotter Corporation (N.S.L.), Bridgeton Landfill, LLC., Rock Road Industries, Inc. and the United States Department of Energy. The document was submitted to EPA following completion of the Phase 1D fieldwork at the West Lake Landfill Superfund Site by the potentially responsible parties (PRPs), and in accordance with the approved Phase 1D Work Plan and the Administrative Order on Consent, EPA Docket No. VII-93-F-0005.

Within 10 working days of your receipt of this letter, the PRPs must submit to the EPA a revised Comprehensive Phase 1 report incorporating changes necessary to respond to the enclosed comments. If you have any questions regarding this letter or need further clarification on our comments, please email or contact me at vann.bradley@epa.gov or by phone at 913-551-7611.

Sincerely,

Bradley Vann
